

Hong Kong stock exchange

Highlights of listing requirements

Hong Kong Main Board:

(A) Highlights of listing requirements

Track record and market capitalisation

- Trading record of not less than three financial years
- Management continuity for at least the three preceding years and ownership continuity and control for at least the most recent audited financial year
- Three Financial Eligibility Tests:
 - Profit test
 - Profits of HK\$35 million for the most recent year and of aggregate of HK\$45 million for the first two years
 - Market capitalisation of at least HK\$500 million at the time of listing
 - Market capitalisation/revenue/cashflow test
 - Revenue of at least HK\$500 million for the most recent audited financial year
 - Positive cashflow from operating activities of at least HK\$100 million in aggregate for the three preceding financial years
 - Market capitalisation of at least HK\$2 billion at the time of listing
 - Market capitalisation/revenue test
 - Revenue of at least HK\$500 million for the most recent audited financial year
 - Market capitalisation of at least HK\$4 billion at the time of listing
 - Track record of less than three years may be accepted if:
 - Directors and management have sufficient and satisfactory experience of at least three years in the line of the listing business and industry
 - Management continuity for the most recent audited financial year
- A focused line of business not specifically required, but its core business should meet the minimum financial requirement
- Must have control over its business

Minimum public float

- Market capitalisation of at least HK\$125 million held by the public at the time of listing
- Issuers (not incorporated in Chinese Mainland) with a single class of shares, or H-share issuers with no other listed shares: tiered percentage thresholds ranging between 10% and 25%, depending on the expected market value of the issuer at the time of listing
- A+H issuers with a single class of shares: 10%¹ or HK\$3 billion in market value

Minimum free float (shares in public hands not subject to disposal restrictions)

- Issuers (not incorporated in Chinese Mainland) with a single class of shares, or H-share issuers with no other listed shares: (i) 10% with market value of HK\$50 million; or (ii) HK\$600 million market value
- A+H issuers with a single class of shares: (i) 5%², with market value of HK\$50m; or (ii) HK\$600m in market value

Future prospects

- No specific requirement but the applicant is required to include a general statement of future plans and prospects
- Inclusion of profit forecast is optional

Accountants' report

- Must be prepared in accordance with (i) Hong Kong Financial Reporting Standards (HKFRS), or International Financial Reporting Standards (IFRS), or the Accounting Standards for Business Enterprises of the People's Republic of China (CAS) in the case of a PRC issuer that has adopted CAS for the preparation of its annual financial statements
- For Overseas Issuers³, the Exchange may allow the accountant's report to be drawn up otherwise than in conformity with HKFRS and IFRS. The list of alternative overseas financial reporting standards that are considered comparable to HKFRS or IFRS and acceptable by the Exchange is published on the Exchange's website (Chapter 2.1 of the Guide for New Listing Applicants), as amended from time to time. In such case, the report will be required to include a reconciliation statement setting out the financial effect of the material differences (if any) from either HKFRS or IFRS. The reconciliation statement should be reviewed by reporting accountants
- In general, accountants' report covers at least three complete financial years, immediately preceding the issue of the listing document
- The latest financial period reported on by the reporting accountants must not have ended more than six months before the date of the listing document

Corporate governance

- At least three independent non-executive directors required
- Must appoint independent non-executive directors representing at least one-third of the board
- At least a director of a different gender for listing applications submitted on or after 1 July 2022
- Audit committee required
- Remuneration committee required
- Required to appoint a compliance adviser for the period commencing on initial listing and ending on publication of financial results for the first full financial year after listing

Core shareholder protection standards

- Must meet the core shareholder protection standards concerning
 - the notice and conduct of general meetings;
 - members' right to remove directors, requisition a meeting, vote, speak and appoint proxies or corporate representatives;
 - the reservation of auditor appointment, etc. to a committee independent of the board of directors of a company or a majority of the shareholders and the reservation of certain other material matters to supermajority votes by shareholders;
 - restrictions on the term of a director appointed to fill a casual vacancy;
 - availability of the shareholders' register for inspection; and
 - restrictions on shareholder voting on certain matters required by the Listing Rules

Restrictions on controlling shareholders

- A controlling shareholder at the time of listing must undertake:
 - Not to dispose of his interest in the issuer from the listing document issue date to the first six months after listing
 - Not to dispose of his interest in the issuer in the next six months after listing such that he would cease to be a controlling shareholder: at least 30% interest in the issuer

Other considerations

- Competing businesses of controlling shareholders or directors are allowed but full disclosure is required
- Mandatory public offering of at least 10% of the total offer size
- New issue must be fully underwritten
- Listed issuer is not allowed to issue new securities in the first six months after listing

¹ Calculated based on H-shares in public hands / total number of issued shares

² Calculated based on free float H-shares in public hands / total number of issued shares

³ Overseas issuers – An issuer that is neither a Hong Kong issuer nor a PRC issuer.

Hong Kong stock exchange

Highlights of listing requirements

Hong Kong Main Board:

(B) Specific listing requirements for pre-revenue/pre-profit biotech companies

Features	<ul style="list-style-type: none">At least one core product beyond the concept stagePrimarily engaged in research and development (R&D) for the core product(s) for at least 12 months prior to listingHas as primary reason for listing raising funds for R&D to bring the core product(s) to commercialisationHas registered patent(s), patent application(s) and/or intellectual property in relation to the core product(s)Received meaningful investment from at least one sophisticated investor at least 6 months before listing (which must remain at IPO)
Track record requirements	<ul style="list-style-type: none">In current line of business for at least two financial years under substantially the same management
Market capitalisation	<ul style="list-style-type: none">Market capitalisation of at least HK\$1.5 billion at the time of listing
Working capital requirement	<ul style="list-style-type: none">Sufficient working capital which covers 125% of the group’s costs for at least 12 months from the date of publication of listing document

(C) Specific listing requirements for mineral companies

“Mineral company” means a new applicant whose major activity is the exploration for and extraction of minerals or petroleum products; and a “major activity” is one that represents 25% or more of the total assets, revenue, or operating expenses, of the listed issuer and its subsidiaries.	
Features	<ul style="list-style-type: none">Has at least a meaningful portfolio of contingent resources or indicated resources which is identifiable under a recognised reporting standard¹ and substantiated in an independent technical report by a Competent Person²Has the rights to participate actively in the exploration for and/or extraction of the relevant resources through:<ul style="list-style-type: none">control over a majority (i.e. ≥50% of interest) (by value) of the assets in which it has invested, together with adequate rights over the exploration for and extraction of the relevant resources; oradequate rights, which give it sufficient influence in decisions over the exploration for and/or extraction of those resourcesIf the mineral company has commenced production, provides an estimate of cash operating costs. If it has not yet begun production, discloses its plans to proceed to production with indicative dates and costs. These plans must be supported by at least a scoping study, substantiated by the opinion of a Competent Person
Working capital requirements	<ul style="list-style-type: none">Has available working capital for 125% of its working capital needs, for at least 12 months from the date of publication of listing document
Waivers from basic listing requirements	<p>The Exchange may accept a shorter trading record period and/or may vary or waive the profit or other financial standards requirement if:</p> <ul style="list-style-type: none">Directors and senior managers, taking together, have sufficient experience in the type of exploration and extraction activity that the mineral company is pursuing; andIndividuals relied on have ≥5 years relevant industry experience

¹ Recognised reporting standard –
A mineral company must disclose its mineral resources and reserves under the JORC Code, NI 43-101 and the SAMREC Code; and disclose its petroleum resources and reserves under PRMS. If other reporting standard is adopted, it has to provide a reconciliation to an accepted reporting standard.
Any valuation of a mineral company’s mineral or petroleum assets must be prepared under the CIMVAL Code, SAM VAL Code or VALMIN Code and the basis of the valuation, relevant assumptions and reasons for choosing a particular method of valuation, must be clearly stated. The valuation must be done by a competent evaluator.

² Competent Person must –
(1) have a minimum of five years experience relevant to the style of mineralisation and type of deposit under consideration or to the type of petroleum exploration, reserve estimate (as appropriate), and to the activity which the listing applicant is undertaking;
(2) be professionally qualified, and be a member in good standing of a relevant recognised professional organisation, in a jurisdiction where, in the Exchange’s opinion, the statutory securities regulator has satisfactory arrangements with the SFC for mutual assistance and exchange of information for enforcing and securing compliance with the laws and regulations of that jurisdiction and Hong Kong;
(3) take overall responsibility for its report; and
(4) be independent.

Such investors must retain an aggregate 50% of their investment at the time of listing for a period of at least six months post-IPO
Market capitalisation	<ul style="list-style-type: none">Market capitalisation of at least HK\$10 billion at the time of listing and revenue of at least HK\$1 billion in the most recent audited financial year; orMarket capitalisation of at least HK\$40 billion
Enhanced corporate governance	<ul style="list-style-type: none">Compliance adviser appointed on a permanent basis requiredNomination committee comprising independent non-executive directors (INEDs) requiredINEDs subject to retirement by rotation at least once every three yearsCorporate governance committee comprising entirely of INEDs requiredKey matters decided on one-share one-vote basisWVR safeguards incorporated in constitutional documents
WVR safeguards	<ul style="list-style-type: none">Non-WVR shareholders hold at least 10% of voting powerVoting power of WVR shares are not more than 10 times of the voting power of ordinary sharesWVR beneficiaries collectively own at least 10% of the underlying economic interest in the applicant's total issued share capital at the time of listingWVRs are restricted to directors and will lapse permanently if: (i) the beneficiary dies/ceases to be a director/is incapacitated/no longer meets the requirements of a director; or (ii) the shares are transferred to another personAfter listing, cannot increase the proportion of WVR in issue or issue any further WVR shares
Non-Greater China issuers ¹ and Grandfathered Greater China issuers ² with WVR structures	<ul style="list-style-type: none">Can apply for dual primary listing in Hong Kong with their existing WVR and/or variable interest entities (VIE) structures without amending them to comply with the above requirements regarding features, corporate governance and WVR safeguards (as detailed above) provided that it meet the following:<ul style="list-style-type: none">Have a track record of good regulatory compliance of at least two full financial years on a Qualifying Exchange³; andMarket capitalisation requirement in the preceding slide (reproduced below):<ul style="list-style-type: none">Market capitalisation of at least HK\$10 billion at the time of listing and revenue of at least HK\$1 billion in the most recent audited financial year; orMarket capitalisation of at least HK\$40 billion

(E) Specific listing requirements for overseas issuers seeking secondary listing in Hong Kong

Listing requirements for issuer with WVR structure	<ul style="list-style-type: none">Have a track record of good regulatory compliance of at least two full financial years on a Qualifying Exchange.Must meet the listing requirements for issuers with WVR structures in part (C) above.
Listing requirements for issuer without WVR structure	<ul style="list-style-type: none">Must meet one of the following:<ul style="list-style-type: none">Criteria A<ul style="list-style-type: none">have at least five years* of good compliance record on a Qualifying Exchange (for any Overseas Issuer without a WVR structure) or on any Recognised Stock Exchange¹ (only for Overseas Issuer without a WVR structure and without a gravity in Greater China); anda minimum market capitalisation of HK\$3 billion.Criteria B<ul style="list-style-type: none">have at least two years* of good compliance record on a Qualifying Exchange; anda minimum market capitalisation of HK\$10 billion.(* may be waived if the market capitalisation is significantly larger than HK\$10 billion)
Conversion to primary listing in Hong Kong	<ul style="list-style-type: none">Require all secondary listed issuers to comply with the Trading Migration Requirement².A secondary listed issuer will be regarded as a primary listed issuer in the event of:<ul style="list-style-type: none">i. Migration³;ii. Primary Conversion⁴; oriii. Overseas De-listing⁵

¹ Recognised Stock Exchange – The main market of a stock exchange that is included in a listed of Recognised Stock Exchange published on the Exchange's website as updated from time to time. Please see [Link](#).

² Trading Migration Requirement – The requirements under Listing Rule 19C.13 that if the majority of trading in an issuer's listed shares migrates to the Exchange's markets on a permanent basis, the Exchange will regard the issuer as having dual primary listing and consequently the waivers enjoyed by the issuer due to its secondary listing status will no longer apply to such issuer. Majority of trading means 55% or more of the total worldwide trading volume (by dollar value) of those shares (including trading volume in depositary receipts issued on those shares) over the issuer's most recent financial year, takes place on the Exchange's markets.

³ Migration – The migration of the majority of trading in an Overseas Issuer's shares to the Exchange's markets under Rule 19C.13.

⁴ Primary Conversion – Voluntary conversion from secondary listing to dual-primary listing on the Exchange by an Overseas Issuer.

⁵ Overseas De-listing – De-listing of an Overseas Issuer's shares or depositary receipts issued on its shares from the Recognised Stock Exchange on which it is primary listed under Rule 19C.13A

¹ Greater China issuers – A Qualifying Issuer with its centre of gravity in Greater China. Qualifying Issuer is an issuer primary listed on a Qualifying Exchange.

² Grandfathered Greater China issuers – A Greater China Issuers (a) primary listed on a Qualifying Exchange on or before 15 December 2017; or (b) controlled by corporate WVR beneficiaries as at 30 October 2020 and primary listed on a Qualifying Exchange after 15 December 2017, but on or before 30 October 2020.

³ Qualifying Exchange – NYSE, NASDAQ or the Main Market of the London Stock Exchange plc (and belonging to the UK Financial Conduct Authority's "Premium Listing" segment).

Hong Kong stock exchange

Highlights of listing requirements

Hong Kong Main Board:

(F) Specific listing requirements for special purpose acquisition company (SPAC)

A SPAC is a type of shell company that raises funds through its listing for the purpose of acquiring a business (a “De-SPAC Target”) at a later stage (a “De-SPAC Transaction”) within a pre-defined time period after listing.

SPAC formation

- **SPAC promoters**¹ - Must meet rigorous suitability and eligibility requirements², and with at least one being an SFC Type 6/Type 9-licensed firm holding at least 10% of the Promoter Shares³
- **SPAC directors** - Must include at least two SFC Type 6/Type 9- licensed individuals (including one director representing the licensed SPAC Promoter)

SPAC IPO

- **Fund raising size** - At least HK\$1 billion from initial offering
- **SPAC investors** - Restricted to Professional Investors⁴ prior to the De-SPAC transaction
- **Open market requirements** - SPAC securities must be distributed to at least 75 Professional Investors, of whom at least 20 must be Institutional Professional Investors⁵ (IPI) and such IPI must hold at least 75% of the SPAC securities to be listed

De-SPAC Transaction

- **Target size** - Fair market value of a De-SPAC Target ≥ 80% of the fund raised from SPAC initial offering
- **New listing requirements** - The listed issuer resulting from the completion of a De-SPAC Transaction (a “Successor Company”) must meet all listing requirements as highlighted in section (A) (including IPO Sponsor engagement, track record and market capitalisation requirements)
- **Independent investments** - Must obtain independent third party investment (PIPE investment) from professional investors at the lower of i) at least 7.5% to 25% of De-SPAC Target’s negotiated value for completing the De-SPAC Transaction, or ii) HK\$500 million in value.⁶ At least 50% of such investment must come from at least three Sophisticated Investors⁷
- **Shareholder vote** - De-SPAC Transaction must be approved by SPAC shareholders at a general meeting (excluding SPAC Promoter and other interested shareholders)
- **Redemption option** - SPAC shareholders must be given the option to redeem their shares prior to: (a) De-SPAC Transaction; (b) a material change in SPAC Promoters and/or SPAC Directors; and (c) any extension of De-SPAC deadlines
- **Open market requirements** - Successor Company’s shares must be held by at least 100 Professional Investors (instead of 300 shareholders normally required) at the time of listing
- **De-SPAC deadlines** - Must be announced and completed within 24 months and 36 months of the SPAC listing respectively, with an extension of up to 6 months subject to the SPAC shareholders’ and the Exchange’s approval

¹ SPAC promoters – A professional manager, usually with private equity, corporate finance and/or industry experience, who establish and manage a SPAC.

² For promoter’s suitability and eligibility, see Chapter 2.4 of the [Guide for New Listing Applicants](#).

³ Promoter Shares - A share of a separate class to SPAC Shares issued by a SPAC exclusively to a SPAC Promoter at nominal consideration as a financial incentive to establish and manage the SPAC. Promoter Shares are capped at 30% of the SPAC’s total issued shares at listing.

⁴ Professional Investors - Persons falling under paragraphs (a) to (j) of the definition of “professional investor” in section 1 of Part 1 of Schedule 1 to the Securities Future Ordinance (SFO).

⁵ Institutional Professional Investors - Persons falling under paragraphs (a) to (i) of the definition of “professional investor” in section 1 of Part 1 of Schedule 1 to the SFO.

⁶ This independent third party investment threshold applies to all De-SPAC Transactions that are announced during 1September 2024 to 31 August 2027.

⁷ Sophisticated Investors -The Exchange will assess whether an investor is sophisticated on a case-by-case basis by reference to its relevant investment experience, and its knowledge and expertise in the relevant field of the De-SPAC Target, which could be demonstrated by its net assets, assets under management (AUM), size of its investment portfolio or track record of investments, where applicable. See Chapter 2.4 of the Guide for New Listing Applicants. In general, the Exchange would consider the following as an sophisticated investor: (a) An asset management firm with assets under management of, or a fund with a fund size of, at least HK\$8 billion; (ii) A company with a diverse investment portfolio size of at least HK\$8 billion; or (iii) A key participant in the relevant upstream or downstream industry of the De-SPAC Target, with a meaningful market share and size, as supported by appropriate independent market or operational data.

Highlights of listing requirements

Hong Kong Main Board:

(G) Specific listing requirements for specialist technology companies

A company primarily engaged (whether directly or through its subsidiaries) in the research and development of, and the commercialisation and/or sales of, Specialist Technology Product(s) within an acceptable sector of a Specialist Technology Industry ¹		
	Commercial Companies ²	Pre-Commercial Companies ³
Minimum expected ⁶ market capitalisation	HK\$4 billion	HK\$8 billion
Minimum revenue from Specialist Technology (“ST”) business segment(s) for the most recent audited financial year	HK\$250 million (the “Commercialisation Revenue Threshold”) The company must demonstrate year-on-year growth of revenue throughout its track record period, with allowance for temporary declines in revenue due to economic, market, industry-wide conditions or other factors which were temporary and outside the applicant’s control.	No requirement The applicant must have as its primary reason for listing the raising of funds for the R&D of, and the manufacturing and/or sales and marketing of, its ST Product(s) to bring them to commercialisation and achieving the Commercialisation Revenue Threshold; and must demonstrate a credible path to commercialisation of its ST Product(s) that will result in it achieving the Commercialisation Revenue Threshold.
Minimum research and development (“R&D”) expenditure	Engaged in R&D of its ST Product(s) for at least three financial years prior to listing and: a) on a yearly basis for at least two of the three financial years prior to listing; and b) on an aggregate basis over all three financial years prior to listing, meet the following minimum R&D expenditure (as a % of total operating expenditure) 15%	With revenue for the most recent audited financial year • ≥HK\$150 million: 30% • <HK\$150 million: 50%
Operational track record	The applicant must have been in operation in its current line of business for at least three financial years prior to listing under substantially the same management, and with ownership continuity and control in the 12 months prior to the date of the listing application, and up until the time immediately before the offering and/or placing becomes unconditional	

¹ Specialist Technology Industries include (i) next-generation information technology; (ii) advanced hardware and software; (iii) advanced materials; (iv) new energy and environmental protection; and (v) new food and agricultural technologies. For the list of the acceptable sectors falling within each Special Technology Industry, see Chapter 2.5 of the [Guide for New Listing Applicants](#)

² A “Commercial Company” refers to a Specialist Technology Company that has met the Commercialisation Revenue Threshold at the time of listing

³ A “Pre-Commercial Company” refers to a Specialist Technology Company that has not met the Commercialisation Revenue Threshold at the time of listing

⁴ SIIIs that have invested at least 12 months before the date of the listing application of a Specialist Technology Company

⁵ “Key Persons” includes

- founders;
- beneficiaries of weighted voting rights;
- executive directors and senior management; and
- key personnel responsible for the technical operations and/or R&D of its Specialist Technology Product(s)

⁶ This minimum market capitalisation requirement applies to those with listing applications submitted on or before 31 August 2027 and with expected listing date on or after 1 September 2024

	Commercial Companies	Pre-Commercial Companies	
Working capital requirement	At least 100% of the group’s requirement for at least the next 12 months	At least 125% of the group’s requirement for at least the next 12 months	
Third party investment	The applicant must have received meaningful investment from Sophisticated Independent Investors (“SIIs”). As an indicative benchmark, an applicant meeting the following requirements will be generally considered as having received “meaningful investment”: <ul style="list-style-type: none">Investment from a group of two to five Pathfinder SIIs⁴ that satisfy both (a) and (b) below:		
	Investment from Pathfinder SIIs	Minimum investment as a % of the applicant’s issued share capital as at the date of the listing application and throughout the preapplication 12-month period	Minimum amount invested in the applicant at least 12 months prior to the date of the listing application (excluding any subsequent divestments made on or before the date of the listing application)
	(a) Two to five Pathfinder SIIs	≥10% in aggregate	OR ≥HK\$1.5 billion in aggregate
	(b) At least two Pathfinder SIIs referred to in (a)	≥3% each	OR ≥HK\$450 million each
	<ul style="list-style-type: none">At least the following aggregate investment from all SIIs (as a % of issued share capital) as at the time of listing (before exercise of any over-allotment option):		
	Market capitalisation	Commercial Companies	Pre-Commercial Companies
	< HK\$15 billion	20%	25%
	≥HK\$15 billion but <HK\$30 billion	15%	20%
	≥HK\$30 billion	10%	15%
Post-IPO lock-up (For securities beneficially owned as disclosed in listing document (excluding those sold under any offer for sale contained in the listing document))	Persons subject to lock-up	Commercial Companies	Pre-Commercial Companies
	Controlling shareholders & Key Persons ⁵	12 months from the date of listing	24 months from the date of listing
	Pathfinder SIIs	6 months from the date of listing	12 months from the date of listing

Highlights of listing requirements

Hong Kong GEM:

(B) Specific listing requirements for mineral companies

“Mineral company” means a new applicant whose major activity is the exploration for and extraction of minerals or petroleum products; and a “major activity” is one that represents 25% or more of the total assets, revenue, or operating expenses, of the listed issuer and its subsidiaries.	
Features	<ul style="list-style-type: none">Has at least a meaningful portfolio of contingent resources or indicated resources which is identifiable under a recognised reporting standard¹ and substantiated in an independent technical report by a Competent Person²Has the rights to participate actively in the exploration for and/or extraction of the relevant resources through:<ul style="list-style-type: none">control over a majority (i.e. ≥50% of interest) (by value) of the assets in which it has invested, together with adequate rights over the exploration for and extraction of the relevant resources; oradequate rights, which give it sufficient influence in decisions over the exploration for and/or extraction of those resourcesIf the mineral company has commenced production, provides an estimate of cash operating costs. If it has not yet begun production, discloses its plans to proceed to production with indicative dates and costs. These plans must be supported by at least a scoping study, substantiated by the opinion of a Competent Person
Working capital requirements	<ul style="list-style-type: none">Has available working capital for 125% of its working capital needs, for at least 12 months from the date of publication of listing document
Waivers from basic listing requirements	<p>The Exchange may accept a trading record period of less than two financial years if:</p> <ul style="list-style-type: none">Directors and senior managers, taking together, have sufficient experience in the type of exploration and extraction activity that the mineral company is pursuingIndividuals relied on have ≥ five years relevant industry experiencePositive cashflow generated from operating activities of at least HK\$30 million for that shorter trading record period

¹ Recognised reporting standard –
A mineral company must disclose its mineral resources and reserves under the JORC Code, NI 43-101 and the SAMREC Code; and disclose its petroleum resources and reserves under PRMS. If other reporting standard is adopted, it has to provide a reconciliation to an accepted reporting standard.
Any valuation of a mineral company’s mineral or petroleum assets must be prepared under the CIMVAL Code, SAM VAL Code or VALMIN Code and the basis of the valuation, relevant assumptions and reasons for choosing a particular method of valuation, must be clearly stated. The valuation must be done by competent evaluator.

² Competent Person must –
(1) have a minimum of five years experience relevant to the style of mineralisation and type of deposit under consideration or to the type of petroleum exploration, reserve estimate (as appropriate), and to the activity which the listing applicant is undertaking;
(2) be professionally qualified, and be a member in good standing of a relevant recognised professional organisation, in a jurisdiction where, in the Exchange’s opinion, the statutory securities regulator has satisfactory arrangements with the SFC for mutual assistance and exchange of information for enforcing and securing compliance with the laws and regulations of that jurisdiction and Hong Kong;
(3) take overall responsibility for its report; and
(4) be independent.

This content is for general information purposes only, and should not be used as a substitute for consultation with professional advisors.

(C) Transfer mechanism – Transfer from GEM to Main Board

	Transfer (under Chapter 9A of Main Board Listing Rules)	Streamlined Transfer ¹ (under Chapter 9B of Main Board Listing Rules)
